

UNPARALLELED RENTAL FLEET

ENGINE DRIVES, MIG MACHINES, FUME EXTRACTORS, & MORE!

Whether you need a machine for a day or several machines for months, Cee Kay has the most convenient welding equipment rental program available. We rotate stock frequently to ensure you receive up-to-date and reliable rental equipment from top producers in the industry. As we rotate our stock, we give our customers the opportunity to purchase used equipment at reduced rates. You also have the benefit of maintaining the original manufacturers warranty, if one remains.

OUR RENTAL FLEET INCLUDES

- Engine Drives
- Fume Extractors
- MIG Welding Machines
- TIG Welding Machines
- Stick Welding Machines
- Wire Feeders
- Cylinder Cages/Carts
- Mag Drills
- Plasma Cutters
- Spool Guns
- Welding Cable w/ Equipment
- Dry Ice Blasting Equipment

We at CeeKay believe in providing high quality, well serviced equipment that you can rely on to get the job done. If you are tired of showing up on the jobsite with the scratch and dent machine that may or may not work then place your trust in CeeKay's rental fleet, our job is to make your job easier.
